

Make your School's Science Week go with a Bang!

Amaze and inspire your pupils with Mad Science

Mad Science Workshops, Spectacular Science Shows and School Science Days:

- Enquiry-based learning
- Over 70 different hands-on workshop topics to choose from
- 5 different Spectacular Shows
- Continue celebrating our Amazing Summer of Sport with The Olympic Science Show!
- 1 hour workshops, all equipment and consumables supplied
- Build on National Curriculum for KS1, KS2 and KS3
- Includes pre- and post-workshop resources to maximise the impact of each workshop

We know your pupils will love Mad Science, but don't just take our word for it:

• Very organised and the Mad Scientist had an excellent manner with the children. Good resources and varied activities, lots of which could be built on after the day. •

St Patricks CE Primary School, Lancaster

• Thank you very much. This was the best external service we have booked!

The children got so much from it! So engaging and exciting. •

Prestolee Primary School, Manchester

• The show kicked off our science week and what a great way to start! Both children and staff thoroughly enjoyed the show and learnt lots! Thank you! •

St Teresa's Primary School, St Helen's

• Atomic Alison was superb with everyone. All the children enjoyed it, as did the staff. Thank you for helping to make our Science Week a huge success. •

Deepdale County Junior, Preston
